**Digby Bell at Miner's.**  
Next week at Miner's Theatre will be a gala one, it being the return engagement this season of the great comic opera success, "The Tar and Tartar," one of the most popular comic operas since the time of "The Mikado" and "Erminie." Each of the three acts of "The Tar and Tartar" teems with an abundance of healthy fun and bright music. The company which will present "The Tar and Tartar" at Miner's Theatre next week is an enlarged one, consisting of seventy people. It will differ from most organizations of its kind, in that it will have a specially selected chorus, made up of competent singers, while the girls are said to be the prettiest in America. Managers Askin and Prior, owners of the company, will virtually give this opera a new production, and complete new sets of scenery have been painted specially for this engagement. The company is now called the "Digby Bell Opera Company," and consists of the prince of fun-makers, Digby Bell, and Josephine Knapp, Fred. Frear, Hilda Hollins, Chas. Wayne, Maud Hollins, O. H. Jones, Laura Joyce Bell, Hubert Wilke, and others. Important changes have been made in the comedy, and the opera is said to be funnier than ever, while Mr. Julian Edwards, the talented musical director of the company, has introduced several new musical numbers. Manager Morton has left nothing undone to make this the most enjoyable week of the entire season. The advance sale of seats is the largest ever known in the history of this popular theatre.

Managers Morton and Askin propose to make next Monday evening a gala event, it being the 400th performance of the great comic opera success, "The Tar and Tartar," and in honor of the event Miner's Theatre will be elaborately decorated with greens, cut flowers and flags, and to each lady holding a seat coupon will be presented a handsome bound book of all the music and songs in "The Tar and Tartar." Digby Bell will also make a little speech, and he has had new verses written for his topical song.

**The Effect of a Visit to Paterson.**  
A party of Watsessing youths were led astray in Paterson last Sunday. They are members of Watsessing Division, Sons of Temperance. It is said that they went so far that a "re-obligation" was necessary. It is a pleasure to note that they are again on the right track, and it is to be hoped that Paterson will be avoided in the future, as it is a naughty place to visit on Sunday. There is room in the Watsessing churches every Sunday for all the young men of that locality, and if they will only attend, "re-obligation" will be unnecessary in the future.

**Montclair's School Meeting.**  
At the Montclair school meeting last Tuesday night there was a very large attendance, and John R. Livernore was elected a member of the School Board, to succeed Dr. Marvin, who declined reelection. John R. Howard was re-elected. The receipts were \$49,173.96, and the expenditures \$48,537.51. The recommendation of the Trustees that bonds to the amount of \$50,000 be issued for the erection of a new high-school building was adopted, and \$15,000 was voted for the purchase of property on Orange Road from St. Luke's Episcopal Church.

**The Lackawanna Still Experimenting.**  
About two years ago the Delaware, Lackawanna and Western Railroad Company promised to light up the tunnel at Hoboken with the best method obtainable, and it was then stated that the company would at once set to work to find out by experimenting what the best method was. An official of the road, upon being asked when the company intended to keep its promise, replied that the company was still making experiments on that line, but had not yet decided what method of lighting was the best.

**Miss Schmitt's Marriage.**  
A pretty home wedding took place on Wednesday evening at the residence of the bride's parents on Spruce Street, when Miss Marie Schmitt was married to Charles Kopt. The ceremony was performed by the Rev. Henry W. Selbert, pastor of the German Presbyterian Church. Miss Emma Kopt, a sister of the groom was bridesmaid and Jacob Schmitt, a brother of the bride was groomsmen. After a short wedding trip Mr. and Mrs. Kopt will reside in Bloomfield.

**Oakland Notes.**  
The new station has been completed with the exception of painting. A new sign has been put up near the platform, "Orchard Street, Bloomfield," made by Rudolph Bruett. The Building Committee expect that the railroad company will formally accept the building in May.

Charles Grieshaber has leased a large tract of land adjoining his farm on Davey Street, owned by Edward G. Ward.

A birthday party was held at the residence of William D. Spinning on Monday evening in honor of his sixtieth birthday. Friends were present from Orange, Newark, and New York.

H. E. Demorest's new house on Morton Street is rapidly nearing completion. Speer & Stager have the contract for painting.

**Seminary Notes.**  
Matthew Muller, a member of the Senior class of the German Theological Seminary, passed an excellent examination on licensure before the Brooklyn Presbytery last week. He was the only one who passed of the three candidates. The German Seminary was complimented for its good record.

Rev. Dr. F. E. Hauser of the Seminary officiated at a marriage ceremony in Carlstadt last Sunday. The contracting parties were Mr. Merkle and Miss Schmid.

The German Church at Carlstadt is increasing in membership since the Rev. August Lange of the Seminary has had charge of it.

There is a rumor afloat that the Democrats on the special police force will have to give way to Republicans.

**Specimen Cases.**  
S. H. Clifford, New Castle, Wis., was troubled with Neuralgia and Rheumatism; his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shephard, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawbe, O., had five large Fever Sores on his leg; doctors said he was incurable. One bottle of Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold at Geo. M. Wood's Drugstore.—Advt.
